

Weobley & District Bowling Club: Ordering Shirts and Fleece

Club Shirts can be added to the **Club Order** at the February Social Meeting. **Payment and collection** is at the Opening of the Green, or soon after. There may be one other Club Order in Summer. Through the Club, the price is typically £33, but it does depend on numbers ordered etc.

If you miss the Club Order, you can also create your own account and **order directly** via an online "Club Shop" set up by our Suppliers (**Zapkam**). It will likely cost you a few pounds more than Club prices. The typical lead time on all Club Uniform is about 5 weeks after the order is placed:

Example items of uniform in different Suppliers Sizes may be available for comparison at the Social Meeting. Or ask other members about their uniform sizes before ordering.

Club Shirts are available in Short or Long sleeve. **Zapkam** state that their sizes are best judged by the "Chest Across" measurement from arm pit to arm pit across the front, which you can compare with a comfortable shirt that you already own. "Chest To Fit" is another approximate measurement which is also shown on their web site (choose the next biggest size up if no exact match):

Please note that the Club cannot return items on the basis of an incorrect size ordered, so your payment will still have to be made if there is such an issue, but we may be able to help resell them for you.
